

AiPing Pharmaceutical, Inc. is a fully owned subsidiary of A&Z Pharmaceutical, Inc., a U.S. based pharmaceutical manufacturer with 30 years of global operations experience dedicated to all aspects of product development and commercialization. AiPing's focus is on the acquisition, redevelopment and commercialization of mature, under-served or under-supplied generic prescription and OTC molecules requiring strong scientific, technical, and quality know-how. Our goal is to establish the AiPing label as a trusted partner of choice in the US generic pharmaceutical market.
