NEW! Medicare Part B Diabetes FFS Drop Ship Program

Stop Turning Medicare Part B Diabetes Patients Away!

BOOST REVENUE

If you're already billing Medicare Part B Fee for Service—or considering it—here's an opportunity to better serve your diabetes patients while **unlocking a new, recurring revenue stream** for your pharmacy with a simple drop-ship program with GEMCO Medical.

You maintain control of:

- Patient relationships
- Billing and reimbursement
- No inventory investment
- No shipping headaches
- No added staffing burden
- Recurring monthly revenue opportunities
- Competitive pricing for AAP members

GEMCO Medical handles fulfillment, shipping directly to your patients on your behalf with your pharmacy's branding included.

How the Drop-Ship Program Works:

- Access to properly designated DME benefit-only SKUs at competitive pricing.
- No inventory carrying costs.
- Only four (4) shipments per year.
- 2-day nationwide delivery with your pharmacy logo and branding.
- White glove onboarding, by GEMCO, covering every stage of the process.
- The pharmacy must have a Med B license to participate.

Why Independent Pharmacies Choose GEMCO Medical:

GEMCO Medical, a Pharmacy Select Preferred Partner, is a national wholesale distributor headquartered in Ohio. GEMCO Medical has supported independent pharmacies for more than 30 years with diabetes products and supplies—helping improve patient care while simplifying operations.

NABP Accredited Drug Distributor
